Every 21 number (indicated in parentheses down below) of comments made by different commentators about a number on its **MOON BUNNY CAFE** project page will unlock a chapter release within the week. If this milestone is met by multiple users, we are allowed a period of 1 week between each next milestone. If something strange happens to us, Project pages are where the chapters are listed on **MOON BUNNY CAFE**. Milestone numbers can be changed whenever we want and will be added as the second number of the current status. Once a milestone is met, it will reflect back to zero. This is your chance to get a release of your favorite series!
